I Surrender

Verse 1
Oh Jesus
Your strength arise
So I can rest
On eagles wings

Chorus
Oh Jesus
You carry this load
You catch my pain
On Eagle's wings

Verse 2
You're too good not to turn this around
Too kind not to leave me behind
Too loving not to bring out the best
Faithful Lord I surrender

Chorus
Oh Jesus
This peaceful breeze
Wash over me
On eagle's wings

Verse 3
You're too good not to turn this around
Too kind not to leave me behind
Too loving not to bring out the best
Faithful Lord I surrender

Bridge
Thank you Lord for this moment
Thank you Lord for this moment
Thank you Lord for this moment
Faithful Lord I surrender
